Acaridan, new *11507
Accumulators *11631
Acid, acetic, disinfectant 11365
Acid, carbonic, apparatus *11634
Acid, lactic, action of 11541
Africa 11653
Africa, Germans in 11443
Air, compressed, power 11592
Air, purification of 11460
Alaska, Indian tribes of 11368
Alcohol, purification *11428
Algeria, locusts in *11368
Alkali manufactures 11457
Alloys of aluminum 11380
Alloys of aluminum and silicon *11592
Alloys of nickel and steel 11376
Alloys, strength of 11584
Alumino-ferric cake 11551
Aluminum 11378
Aluminum, alloys of 11380
Aluminum, extraction of 11378
Aluminum, production of *11280
Aluminum and silicon alloys *11592
America, North 11652
America, South 11652
Amiral Baudin, ship *11389
Amiral Duperre, ship *11389
Ammonia from coal *11454
Ammonia liniment 11508
Ammonical liquor, concent *11492
Amsterdam canal 11384
Anchoring buildings *11645
Antelope, curious *11285
Anthropopithecus calvus 11368
Apparatus, Kipp's, substitute *11634
Arabin, artificial 11318
Argentine Republic, pavilion *11516
Arid lands of United States 11664
Arizona, petrified forests 11412
Armorclad Victoria *11591
Armor plate *11388, *11406, *11419
Army exercises *11314
Army of Kukuanaland 11513
Army velocipedes 11421
Arsenic as poison and med 11443
Arsenic in wall paper 11526
Artillery, French *11335
Asia, Central 11652
Association, British, papers 11648, 11654
Associations, building 11663
Astronomy, phenom., observa *11400
Atlantic, surface currents of 11339
Australia 11653
Awards at Paris Exposit 11534, 11554
Axle, car, standard 11546
